Title: Zoom – Change your user Icon

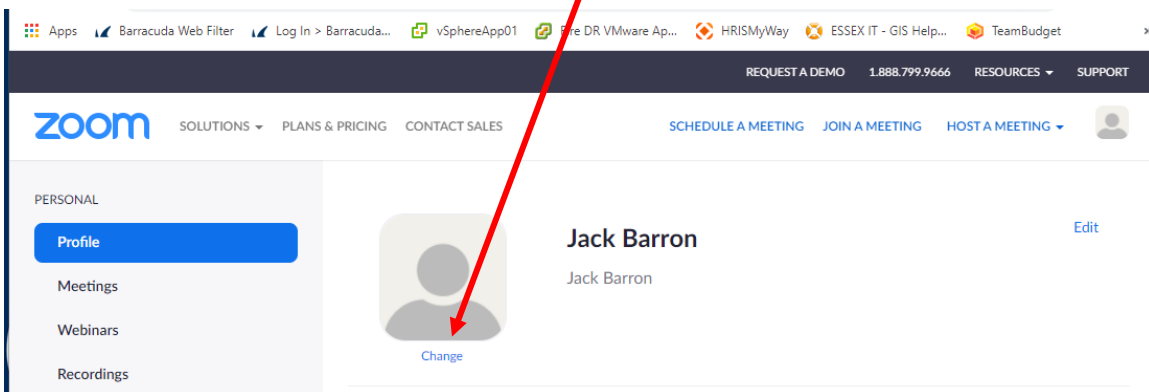

Created By: Jack Barron

Date: February 3, 2021

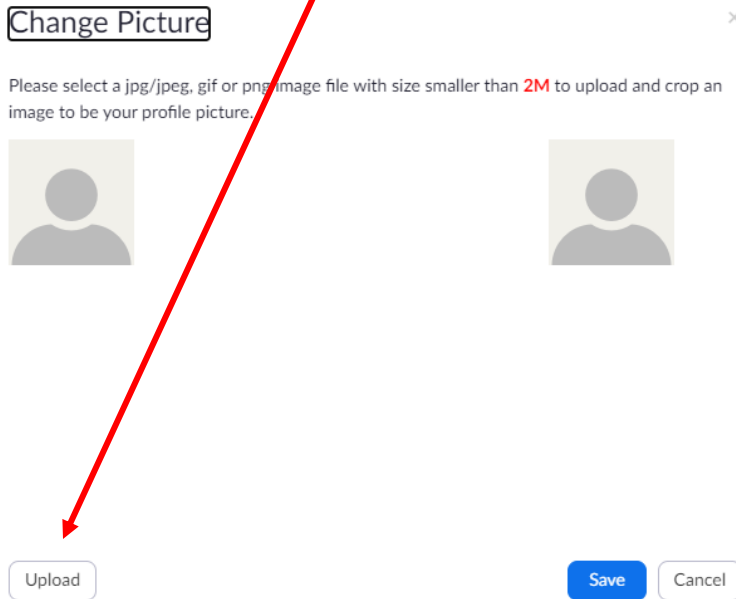

Log into the Zoom Web site with your User Id & Password

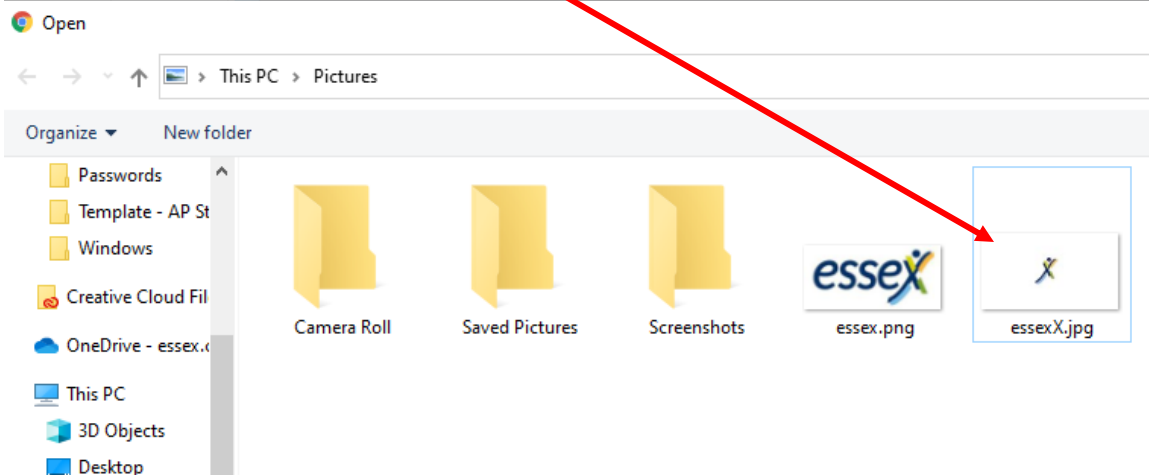

On the Profile Page under your account click Change

To upload an image. Click Upload

Select your image from the file location that it is stored.

Crop or Zoom into the image using the corner nodes. Click **Save** then **Upload**

Change Picture

Please select a jpg/jpeg, gif or png image file with size smaller than **2M** to upload and crop an image to be your profile picture.

Upload

Save

Cancel

The image is now your User Profile Picture and will appear in the thumbnail during meetings.
