Re: Progress Update on Action Plan (2021-2022)

At its Regular Council Meeting held on May 16, 2022, Council received and discussed the attached Town of Kingsville correspondence from E.L.K. Energy Inc. which correspondence outlined or provided an update as to results/ progress of the 2021-2022 Action Plan pertaining to Kingsville. As part of its discussion, it was expressed that a similar Progress Update report should be provided for the residents of the Town of Essex, a report that pertains to Essex specific results/progress.

As a result of that discussion Council passed the following resolution:

R22-05-245

Moved by: Councillor Bondy

Seconded by: Councillor Verbeek

That the Town of Essex Council instruct Administration to send a letter to E.L.K. management requesting an update on the Town of Essex action plan similar to the action plan report dated May 4, 2022 that the Town of Kingsville received.

Carried
