Re: Essex Region Source Protection Committee – Municipal Representation

Dear Dr. Stammler,

At the regular council meeting held on February 1, 2021, Council reviewed your request to endorse Mr. Webb for his formal appointment to the Source Protection Authority as the City of Windsor representative member. I am pleased to advise that as a result of the review the following resolution was passed:

R21-01-037

Moved by: Councilor Bowman

Seconded By: Councilor Vander Doelen

That the correspondence from Essex Region Conservation Authority (“ERCA”) dated January 25 2021, and sent to all of the Clerks of member municipalities, which correspondence asks for the endorsement of all member municipalities regarding the nomination of Kevin Webb, as the City of Windsor representative to be appointed to the Essex Source Protection Committee, be received and supported; and If supported that a letter advising of the Town of Essex endorsement of said appointment be sent to ERCA no later than March 1, 2021.

I trust you will find this satisfactory, but if you have any questions or comments please feel free to contact the undersigned.

Yours truly,
