Re: Power Flickers and Outages in the Town of Essex

At its Regular Council Meeting held on July 4, 2022, Council discussed the negative impacts that the ongoing power flickers and outages have on the residents and businesses of the Town of Essex. As a result Council provided direction for Administration to extend a formal invitation to Hydro One to attend a future Special Council Meeting of Essex Town Council in regards to these frequent power flickers and outages:

R22-07-440

Moved by: Councillor Bondy

Seconded by: Councillor Verbeek

That Essex Council invite Hydro One to a Special Council meeting to have a public discussion about the causes and the solutions to the ongoing power flickers and outages in the municipality of Essex.

Carried

Accordingly, on behalf of Essex Town Council, we invite and respectfully ask that Hydro One consider attending a Special Council Meeting in order to have discussions relating to the reasons and frequency of these power outages. If your attendance is possible then we ask that you please advise as to availability so that this meeting may be scheduled as soon as possible.

We thank you in advance for your consideration thereof and we look forward to your response.

Yours truly,

A handwritten signature in black ink, appearing to read "R. Auger", written over a white background.
