**Re: Support of Municipality of Tweed Resolution 343 regarding Cannabis Production Facilities, the Cannabis Act, and Health Canada Guidelines**

Dear Ms. Percy,

At its regular council meeting of December 21, 2020, Essex Town Council reviewed your correspondence on behalf of the Municipality of Leamington in support of Municipality of Tweed Resolution 343 regarding Cannabis Production Facilities, the Cannabis Act and Health Canada Guidelines. Specifically noted in the resolution passed by the Municipality of Leamington was the request for immediate action to be taken by all levels of government to require those individuals who may be issued a registration or certificate to produce medical cannabis to adhere to the same strict regulations and legislation as licensed pharmaceutical companies and industries. I am pleased to advise that Essex Town Council voted in support of this correspondence from the Municipality of Leamington which further calls for the Association of Municipalities of Ontario and the Federation of Canadian Municipalities to advocate to the Government of Canada for the enactment of similar regulations and guidelines for medical cannabis licensing including the requirement to provide advance notice to municipalities of medical cannabis licensing applications:

**R20-12-482**

**That** the correspondence listed in Agenda Item 11.2.1 be received and supported and that the appropriate letter of support be sent.

**Carried**

I trust you will find this satisfactory, but if you have any questions or comments please feel free to contact the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read "Robert W. Auger".
