Detachment Focus and Priorities

The Ontario Provincial Police (OPP) continues to have a clear path forward with the implementation of the 2023-2025 Strategic Plan. As an extension of, and building upon, the 2020-2022 Strategic Plan, we remain focused on and committed to our three strategic priorities, specifically our people, our work, and our communities. The plan will continue to guide our organization's priorities, strategies, initiatives and the requirements expected with the enactment of the regulations associated to the new Community Safety and Policing Act (CSPA).

Through assessment, analysis and consultation, the following areas of focus were identified for the next three years (2023 – 2025) in Essex County:

Crime:

- Address & prevent violent crime.
- Address & prevent property crime.
- Address & prevent illicit drug use and distribution.
- Enhance police response through engagement and education to community members experiencing a mental health crisis.

Traffic:

- A focus on education and enforcement, to change high-risk driving behaviours, including aggressive driving, impaired driving, distracted driving and the non-use of seatbelts.
- A focus on the causal factors of motor vehicle collision on our roadways, waterways and trails.
- To continue to prioritize marine education and enforcement on local waterways.

Other Policing Priorities:

- Continue to support the Community Safety and Well-Being Plan for Windsor-Essex.
- Foster the relationship between the OPP and the Caldwell First Nation as the community builds their first businesses and community homes.
