Re: School Safety Zone Review of Colchester North Grade School

At its Regular Council Meeting held on May 2, 2022, Council discussed the desire for a community safety zone review in Gesto for the Colchester North Grade School area. It was noted that the County of Essex would require a resolution from Town of Essex Council in order for the County to consider this request and begin a review/determination as to the need for a community safety zone review in the Colchester North Grade School area.

As a result of that review Council passed the following resolution:

R22-05-198

Moved by: Councillor Verbeek

Seconded by: Councillor Bondy

That Essex Council request the County of Essex to move forward with a school safety zone review of Colchester North Grade School.

Carried

I trust you will find this satisfactory. If you have any questions or comments please feel free to contact the undersigned.
