Re: John R. Park Homestead and Visitor's Centre

Dear Mr. Byrne,

At the regular council meeting of October 19, 2020 Council reviewed a recommendation from the Town of Essex Accessibility Advisory Committee requesting that either paved or packed stone walkways be laid throughout the John R. Park Homestead and new visitor's centre grounds, as well as the designated accessible parking spot, to better accommodate those with accessible needs and requirements.

The Town of Essex strongly supports the recommendation and requests that the walkways and designated accessible parking spot be upgraded to provide access to all residents.

Yours truly,

A handwritten signature in black ink, appearing to read "R. Auger".
