Re: County Road 8 Sidewalk

Dear Mary,

At the regular council meeting of October 19, 2020 Council reviewed a recommendation from the Town of Essex Accessibility Advisory Committee requesting that a paved sidewalk access be provided on County Road 8 from Talbot Street North to Highway 3 to better facilitate accessing the local restaurants and businesses by pedestrians, in particular those with accessible challenges and difficulties.

The Town of Essex strongly supports the recommendation and requests that the County of Essex consider the installation of a paved sidewalk access in this area.

Yours truly,
